WHAT WE DO

We have provided essential items alongside nutritious meals to enhance the well-being of individuals and families in need.

STREET OUTREACH

Our work has taken us to places. Where no one would imagine a human being would stay. The mission of our street outreach is to constantly adjust and provide services to those who are hidden in plain sight. Our service area covers the South and West sides of Chicago.

Outreach Services

Our Lunchtime program has distributed 4,134 bag lunches to homeless, low-income families, individuals, veterans and refugees on Chicago's South and Westside.

Our outreach services distributed 3,734 men, women and baby hygiene products, and clothing,

Veterans at the Jesse Brown VA hospital has received bag lunches and hygiene products
